 - a. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
 - b. Any person, who acquires the shares of the Company and becomes a Member after the Company emails the Notice of the 28th AGM and holds the shares as on the cut-off date of 23rd September, 2021 may follow the instructions given below for participating in the AGM and casting their vote through remote e-Voting or through e-Voting during the AGM.

- c. A person, whose name is recorded in the Register of Members or whose name appears as the beneficial owner in the records of the depositories as on the cut-off date alone can avail the facility of remote e-voting or cast vote through e-voting during the AGM
- d. The remote voting period begins on Monday 27th September, 2021 at 9.00 a.m. and ends on Wednesday 29th September, 2021 at 05.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in Dematerialized form, may cast their vote electronically. The cut-off date (record date) of Thursday, 23rd day of September, 2021. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on the resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
- e. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- f. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (6) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of Abirami Financial Services (India) Limited as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India (‘the Guidance Note’). These responsibilities include the design, implementation and maintained of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risk of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be deducted. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note 1 : Corporate Information

Abirami Financial Services (India) Limited (referred to as “the Company”) is a Public Limited Company incorporated on 19/04/1993 (CIN:L65993TN1993PLC0241861) and domiciled in India with its registered office at Capital Place, Old No.50, New No.16, South Boag Road, T. Nagar, Chennai - 600017.

Note 2 : Significant Accounting Policies

a) Statement of Compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as “Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017. Figures for previous periods have been restated as per Ind AS. In accordance with Ind AS 101 First-time adoption of Indian Accounting Standards, the Company has presented a reconciliation from the presentation of Financial Statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (“Previous GAAP”) to Ind AS of shareholders’ equity as at 31st March 2021.

These Financial Statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of The Companies Act, 2013.

b) Basis of Preparation

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening IND AS Balance Sheet as at 1st April, 2016 being the ‘date of transition to IND AS’.

c) Use of Estimates

The preparation of financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

d) Revenue Recognition

Revenue from sales is recognised when all significant risks and rewards of ownership of the commodity sold are transferred to the customer.

Revenue from Construction Projects are recognised on percentage of completion method, measured with reference to the percentage of cost incurred upto the reporting date to estimated total cost for each project.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

e) Property, Plant And Equipment

On adoption of Ind AS, the Company retained the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and used that as its deemed cost as permitted by Ind AS 101 ‘First-time Adoption of Indian Accounting Standards’.

Property, plant and equipment are stated at cost [i.e., cost of acquisition or construction inclusive of freight, erection and commissioning charges, non-refundable duties and taxes, expenditure during construction period, borrowing costs (in case of a qualifying asset) up to the date of acquisition/ installation], net of accumulated depreciation and accumulated impairment losses, if any.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated

as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in profit or loss when the asset is derecognised.

f) Intangible Assets

For transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and amortisation method for an intangible asset are reviewed at the end of each reporting period. The amortisation expense on intangible asset is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in Statement of Profit and Loss when the asset is derecognised.

g) Cash and Cash Equivalents

Cash and Cash Equivalents consist of cash on hand and balances with banks.

h) Inventories

Construction work-in-progress related to project works is valued at lower of cost or net realizable value, where the outcome of the related project is estimated reliably. Cost includes cost of land, cost of materials, cost of borrowings and other related overheads.

i) Taxation

These are the Company's first Financial Statements prepared in accordance with Ind AS.

The accounting policies set out in note 2 have been applied in preparing the Financial Statements for the year ended 31 March 2021, the comparative information presented in these Financial Statements for the year ended 31 March 2020 and in the preparation of an opening Ind AS Balance Sheet at 1 April 2017 (the Company's date of transition to Ind AS). An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

A Ind AS Optional Exemptions

1 Deemed cost for property, plant and equipment, investment property and intangible assets

Ind AS 101 'First Time Adoption of Ind AS' permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the Financial Statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value

B Ind AS Mandatory Exemptions

1 Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP.

2 Classification and measurement of financial assets and liabilities

The classification and measurement of financial assets will be made considering whether the conditions as per Ind AS 109 are met based on facts and circumstances existing at the date of transition.

Financial assets can be measured using effective interest method by assessing its contractual cash flow characteristics only on the basis of facts and circumstances existing at the date of transition and if it is impracticable to assess elements of modified time value of money i.e. the use of effective interest method, fair value of financial asset at the date of transition shall be the new carrying amount of that asset. The measurement exemption applies for financial liabilities as well.

Applying a requirement is impracticable when the entity cannot apply it after making every reasonable effort to do so. It is impracticable to apply the changes retrospectively if:

- a) The effects of the retrospective application or retrospective restatement are not determinable;
- b) The retrospective application or restatement requires assumptions about what management's intent would have been in that period;

The retrospective application or retrospective restatement requires significant estimates of amounts and it is impossible to distinguish objectively information about those estimates that existed at that time.

3 De-recognition of financial assets and liabilities

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

C Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income. The following tables represent the reconciliations from previous GAAP to Ind AS.
